The United States Department of Transportation (U.S. DOT) invites you to participate in the **U.S. DOT Summit on Pedestrian Safety: Virtual Series**. The purpose of this webinar series is to provide a virtual platform for dialogue and opportunity to discuss pedestrian safety issues and priorities. The webinars will include remarks from U.S. DOT Secretary Elaine L. Chao, FHWA's Administrator Nicole R. Nason and NHTSA's Deputy Administrator James C. Owens in addition to guest speakers from leading transportation safety organizations.
